Graves - \$1000

- Graves are the same price throughout the cemetery, regardless of the section selected, with the exception of those in the “Singles” and BabyLand sections (see below).
- You may choose from any available grave in the cemetery.
- You are not required to purchase multiple graves or blocks of graves.
- A grave will accommodate one traditional casket burial and two cremations, or three cremations if there is no casket burial.
- A traditional grave allows you to place a headstone of your choice in the designated headstone row. Additional flush-style headstones may also be placed directly on top of the grave. For more information, please refer to the Headstone Requirements and Restrictions.
- Designated space for a flower bed area on each grave.

Singles - \$950

- Graves in the “Singles” section will accommodate one traditional casket burial and two cremations, or three cremations with no casket burial.
- Graves in the “Singles” section are reduced in price because they cannot be selected in advance or purchased ahead of time.
- Graves in this section are purchased at the time of need, and the next available grave is assigned.
- Only flush-style headstones may be placed on graves in this section, although multiple markers may be placed on the grave.
- Designated space for a flower bed area on each grave.

Cremation Niches - \$1500

- Our cremation niches measure 10"Wx 12"Hx17"D and will easily accommodate two sets of cremains, possibly three depending on what type of container is used.
- Rather than a headstone, engraving can be done directly on the front of the niche plate.
- Fresh cut flowers may be placed on top of the columbarium, however there is not space allotted for a flowerbed area or decorations to be placed.

BabyLand - \$300

- Includes opening and closing fees
- Graves in this section are purchased at the time of need, and the next available grave is assigned.
- Only accomodates one infant burial or cremation

We understand that there can be many decisions to make when purchasing a grave, and you may need time to consider your options. We are happy to place up to four graves on a one-time, 60-day hold at no charge. If the graves are not purchased within the 60-day period, the hold will simply be lifted and the graves will again become available for purchase.

Graves must be paid in full at the time of purchase. We do not accept deposits or partial payments to reserve graves.
